- 
- (a) Distributions from net investment income and short-term capital gains are taxable as ordinary income and will appear on Form 1099-DIV under Total ordinary dividends in box 1a.
  - (b) Taxable as long-term capital gains reportable in column (f), line 13 on Form 1040, Schedule D. Since there were no retained capital gains in 2006, Form 2439 will not be necessary.
  - (c) Certain states require that 50% of the Fund's portfolio be invested in U.S. Government Securities at the end of each calendar quarter to allow "pass-through" treatment of income derived from U.S. Government Securities. The Trust did not meet this strict requirement in 2006.
