Rye, NY -- The Board of Directors of The Gabelli Equity Trust Inc. (NYSE:GAB) declared a \$0.3671875 per share cash distribution payable on June 26, 2007 to Preferred Shareholders of record on June 19, 2007.

The Preferred Shares, which trade on the New York Stock Exchange under the symbol "GAB Pr D", are rated "Aaa" by Moody's Investors Service and have an annual dividend rate of \$1.46875 per share. The Preferred Shares were issued on October 7, 2003 at \$25.00 per share and pay distributions quarterly. The Preferred Shares will be callable at any time at the liquidation value of \$25.00 per share plus accrued dividends following the expiration of the five year call protection on October 7, 2008.

A portion of the distribution may be treated as long-term capital gain and qualified dividend income for individuals, each subject to the maximum Federal income tax rate, which is currently 15% in taxable accounts for individuals. Long-term capital gains, qualified dividend income, and ordinary income, if any, will be allocated on a pro-rata basis to all distributions to Preferred Shareholders for the year. Based on the accounting records of the Fund as of May 17, 2007, the date of this press release, each of the distributions paid in 2007 would include approximately 41% from net investment income and 59% from net capital gains. The estimated components of each distribution are provided to shareholders of record in a notice accompanying the distribution and are available on our website (www.gabelli.com). The final determination of the sources of all distributions in 2007 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2007 distributions in early 2008 via Form 1099-DIV.
