### **THE GABELLI GLOBAL DEAL FUND DECLARES FOURTH QUARTER DISTRIBUTION OF \$0.40 PER SHARE**

**Rye, NY** -- The Board of Trustees of The Gabelli Global Deal Fund (NYSE:GDL) declared a \$0.40 per share cash distribution payable on December 17, 2007 to common shareholders of record on December 12, 2007. The total distributions from the Fund amount to \$1.20 per share for 2007.

The Fund intends to make quarterly cash distributions of all or a portion of its investment company taxable income (which includes ordinary income and realized short-term capital gains) to common shareholders. The Fund also intends to make annual distributions of its net realized long-term capital gains. Various factors will affect the level of the Fund's income, such as its asset mix and use of merger arbitrage strategies. To permit the Fund to maintain more stable quarterly distributions, the Fund may from time to time distribute more or less than the entire amount of income earned in a particular period. Because the Fund's quarterly distributions are subject to modification by the Board at any time and the Fund's income will fluctuate, there can be no assurance that the Fund will pay distributions at a particular rate. Each quarter, the Board reviews the amount of any potential distribution and the income, capital gain, or capital available.

Short-term capital gains, qualified dividend income, ordinary income, and paid-in capital, if any, will be allocated on a pro-rata basis to all distributions to common shareholders for the year. Based on the accounting records of the Fund as of November 19, 2007, the date of this press release, each of the distributions paid in 2007 would include approximately 23% from net investment income and 77% from net capital gains. The estimated components of each distribution are provided to shareholders of record in a notice accompanying the distribution and are available on our website ([www.gabelli.com](http://www.gabelli.com)). The final determination of the sources of all distributions in 2007 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2007 distributions in early 2008 via Form 1099-DIV.
