**GABELLI UTILITY TRUST
DECLARES \$0.3515625 QUARTERLY DIVIDEND FOR ITS
5.625% SERIES A CUMULATIVE PREFERRED SHARES**

Rye, NY -- The Board of Trustees of The Gabelli Utility Trust (NYSE:GUT) (the "Fund") declared a \$0.3515625 per share cash distribution payable on March 26, 2014 to Series A preferred shareholders of record on March 19, 2014.

The Series A Preferred Shares, which trade on the New York Stock Exchange under the symbol "GUT Pr A", are rated "Aa3" by Moody's Investors Service and have an annual dividend rate of \$1.40625 per share. The Series A Preferred Shares were issued on July 31, 2003 at \$25.00 per share and pay distributions quarterly. After five years of call protection, the Series A Preferred Shares became callable at any time at the liquidation value of \$25.00 per share plus accrued dividends.

All or part of the distribution may be treated as long-term capital gain or qualified dividend income (or a combination of both) for individuals, each subject to the maximum federal income tax rate, which is currently 20% in taxable accounts for individuals. In addition, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare tax on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Long-term capital gains, qualified dividend income, and ordinary income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund as of February 14, 2014, the current distribution paid to preferred shareholders in 2014 would include approximately 64% from net investment income and 33% from net capital gains and 3% would be a return of capital on a book basis. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website (www.gabelli.com). The final determination of the sources of all distributions in 2014 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2014 distributions in early 2015 via Form 1099-DIV.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. More information regarding this and other information about the Fund is available by calling 800-GABELLI (800-422-3554) or visiting www.gabelli.com.

The Gabelli Utility Trust is a diversified, closed-end management investment company with \$303 million in total net assets whose primary investment objective is to seek long-term growth of capital and income by investing primarily in utility companies involved in the generation and distribution of electricity, gas, and water. The Fund is managed by Gabelli Funds, LLC, a subsidiary of GAMCO Investors, Inc. (NYSE:GBL), which is a publicly traded NYSE listed company.
