

# TETON CONVERTIBLE SECURITIES FUND

Effective October 1, 2016, the TETON Westwood Income Fund became the Teton Convertible Securities Fund and its strategy changed from Equity Income to Convertible Securities Investing.

## FUND CHARACTERISTICS

- The TETON Convertible Securities Fund seeks to provide a high level of current income as well as long term capital appreciation
- The Fund invests at least 80% of its net assets in convertible securities, and other instruments that have economic characteristics similar to such securities.
- By investing in convertible securities, the Fund seeks to offer the principal protection and income characteristics of bonds with the opportunity for higher returns if the issuer's stock price rises.
