GABELLI GO ANYWHERE TRUST

ENHANCES EXISTING REGISTRATION STATEMENT

Rye, NY – The Gabelli Go Anywhere Trust (the “Fund”), after feedback from potential investors about our unique investment opportunity, has decided to embellish and augment the terms of the current offering and, as a result, expects to file a revised registration statement with the Securities and Exchange Commission which embraces the revised offering.

The terms of the revised offering will be set forth in the refiled registration statement, and are expected to be similar to the terms of the existing offering, with the added benefit to holders, that the Fund would offer to repurchase up to 100% of the Fund’s common shares at the end of the Fund’s fifth year of operation at a price not less than 95% of net asset value.

The revised offering would commence after the revised registration statement becomes effective.

The current offering will terminate. All investors will be contacted about the revised offering and all proceeds received in connection with the current offering will be returned to those who have participated.

We thank all those that have participated in this offering.
