SERIES B PREFERRED SHARES

1. Number of Shares; Ranking.
 - (a) The initial number of authorized shares constituting the Series B Preferred Shares to be issued is 4,000,000. No fractional Series B Preferred Shares shall be issued.
 - (b) Series B Preferred Shares which at any time have been redeemed or purchased by the Fund shall, after such redemption or purchase, have the status of authorized but unissued Preferred Shares.
 - (c) The Series B Preferred Shares shall rank on a parity with any other series of Preferred Shares as to the payment of dividends and liquidation preference to which such Shares are entitled.
 - (d) No Holder of Series B Preferred Shares shall have, solely by reason of being such a holder, any preemptive or other right to acquire, purchase or subscribe for any Preferred Shares or Common Shares or other securities of the Fund which it may hereafter issue or sell.

2. Dividends and Distributions.
 - (a) The holders of Series B Preferred Shares shall be entitled to receive, when, as and if declared by, or under authority granted by, the Board of Trustees, out of funds legally available therefor, cumulative cash dividends and distributions at the rate of 5.00% per annum (computed on the basis of a 360-day year consisting of twelve 30-day months) of the Liquidation Preference on the Series B Preferred Shares and no more, payable quarterly on March 26, June 26, September 26 and December 26 in each year (each, a "**Dividend Payment Date**") commencing on December 26, 2013 (or, if any such day is not a Business Day, then on the next succeeding Business Day) to holders of record of Series B Preferred Shares as they appear on the stock register of the Fund at the close of business on the fifth preceding Business Day in preference to dividends and distributions on Common Shares and any other capital shares of the Fund ranking junior to the Series B Preferred Shares in payment of dividends and distributions. Dividends and distributions on Series B Preferred Shares shall accumulate from the date on which such shares are originally issued. Each period beginning on and including a Dividend Payment Date (or the Date of Original Issue, in the case of the first dividend period after issuance of such shares) and ending on but excluding the next succeeding Dividend Payment Date is referred to herein as a "Dividend Period." Dividends and distributions on account of arrears for any past Dividend Period or in connection with the redemption of Series B Preferred Shares may be declared and paid at any time, without reference to any Dividend Payment Date, to holders of record on such date not exceeding 30 days preceding the payment date thereof as shall be fixed by or under authority granted by the Board of Trustees.

- (b) No full dividends and distributions shall be declared or paid on Series B Preferred Shares for any Dividend Period or part thereof unless full cumulative dividends and distributions due through the most recent Dividend Payment Dates therefor for all series of Preferred Shares of the Fund ranking on a parity with the Series B Preferred Shares as to the payment of dividends and distributions have been or contemporaneously are declared and paid through the most recent Dividend Payment Dates therefor. If full cumulative dividends and distributions due have not been paid on all such Outstanding Preferred Shares, any dividends and distributions being paid on such Preferred Shares (including the Series B Preferred Shares) will be paid as nearly pro rata as possible in proportion to the respective amounts of dividends and distributions accumulated but unpaid on each such series of Preferred Shares on the relevant Dividend Payment Date. No holders of Series B Preferred Shares shall be entitled to any dividends and distributions, whether payable in cash, property or shares, in excess of full cumulative dividends and distributions as provided in this paragraph 2(b)(i) on Series B Preferred Shares. No interest or sum of money in lieu of interest shall be payable in respect of any dividend payments on any Series B Preferred Shares that may be in arrears.
- (i) For so long as Series B Preferred Shares are Outstanding, the Fund shall not pay any dividend or other distribution (other than a dividend or distribution paid in Common Shares, or options, warrants or rights to subscribe for or purchase Common Shares or other shares, if any, ranking junior to the Series B Preferred Shares as to dividends and distributions and upon liquidation) in respect of the Common Shares or any other shares of the Fund ranking junior to the Series B Preferred Shares as to the payment of dividends and distributions and upon liquidation, or call for redemption, redeem, purchase or otherwise acquire for consideration any Common Shares or any other shares of the Fund ranking junior to the Series B Preferred Shares as to the payment of dividends and distributions and upon liquidation (except by conversion into or exchange for shares of the Fund ranking junior to the Series B Preferred Shares as to dividends and distributions and upon liquidation), unless, in each case, (A) immediately thereafter, the aggregate Adjusted Value of the Fund's Eligible Assets shall equal or exceed the Basic Maintenance Amount and the Fund shall have Asset Coverage, (B) all cumulative dividends and distributions on all Series B Preferred Shares due on or prior to the date of the transaction have been declared and paid (or shall have been declared and sufficient funds for the payment thereof deposited with the applicable Dividend-Disbursing Agent) and (C) the Fund has redeemed the full number of Series B Preferred Shares to be redeemed mandatorily pursuant to any provision contained herein for mandatory redemption.
- (ii) Any dividend payment made on the Series B Preferred Shares shall first be credited against the dividends and distributions accumulated with respect to the earliest Dividend Period for which dividends and distributions have not been paid.

- (c) Not later than the Business Day immediately preceding each Dividend Payment Date, the Fund shall deposit with the Dividend-Disbursing Agent Deposit Assets having an initial combined value sufficient to pay the dividends and distributions that are payable on such Dividend Payment Date, which Deposit Assets shall mature or be redeemable on or prior to such Dividend Payment Date. The Fund may direct the Dividend-Disbursing Agent with respect to the investment of any such Deposit Assets, provided that such investment consists exclusively of Deposit Assets and provided further that the proceeds of any such investment will be available at the opening of business on such Dividend Payment Date.

3. Liquidation Rights.

- (a) In the event of any liquidation, dissolution or winding up of the affairs of the Fund, whether voluntary or involuntary, the holders of Series B Preferred Shares shall be entitled to receive out of the assets of the Fund available for distribution to shareholders, after satisfying claims of creditors but before any distribution or payment shall be made in respect of the Common Shares or any other shares of the Fund ranking junior to the Series B Preferred Shares as to liquidation payments, a liquidation distribution in the amount of \$25.00 per share (the "**Liquidation Preference**"), plus an amount equal to all unpaid dividends and distributions accumulated to and including the date fixed for such distribution or payment to holders of Series B Preferred Shares (whether or not earned or declared by the Fund, but excluding interest thereon), and such holders shall be entitled to no further participation in any distribution or payment in connection with any such liquidation, dissolution or winding up.
- (b) If, upon any liquidation, dissolution or winding up of the affairs of the Fund, whether voluntary or involuntary, the assets of the Fund available for distribution among the holders of all Outstanding Series B Preferred Shares, and any other Outstanding series of Preferred Shares of the Fund ranking on a parity with the Series B Preferred Shares as to payment upon liquidation, shall be insufficient to permit the payment in full to such holders of Series B Preferred Shares of the Liquidation Preference plus accumulated and unpaid dividends and distributions and the amounts due upon liquidation with respect to such other Preferred Shares, then such available assets shall be distributed among the holders of Series B Preferred Shares and such other Preferred Shares ratably in proportion to the respective preferential liquidation amounts to which they are entitled. Unless and until the Liquidation Preference plus accumulated and unpaid dividends and distributions has been paid in full (or set aside for such payment) to the holders of Series B Preferred Shares, no dividends or distributions will be made to holders of the Common Shares or any other shares of the Fund ranking junior to the Series B Preferred Shares as to liquidation.

4. Redemption.

The Series B Preferred Shares shall be redeemed by the Fund as provided below:

(a) Mandatory Redemptions.

If the Fund is required to redeem any Preferred Shares (which may include Series B Preferred Shares) pursuant to paragraphs 6(b) or 6(c) of Part II hereof, then the Fund shall, to the extent permitted by the 1940 Act and Delaware law, by the close of business on such Series B Asset Coverage Cure Date or Basic Maintenance Amount Cure Date (herein collectively referred to as a "**Cure Date**"), as the case may be, fix a redemption date and proceed to redeem shares as set forth in paragraph 4(c) hereof. On such redemption date, the Fund shall redeem, out of funds legally available therefor, the number of Preferred Shares, which, to the extent permitted by the 1940 Act and Delaware law, at the option of the Fund may include any proportion of Series B Preferred Shares or any other series of Preferred Shares, equal to the minimum number of shares the redemption of which, if such redemption had occurred immediately prior to the opening of business on such Cure Date, would have resulted in the Fund having Asset Coverage or an Adjusted Value of its Eligible Assets equal to or greater than the Basic Maintenance Amount, as the case may be, immediately prior to the opening of business on such Cure Date or, if Asset Coverage or an Adjusted Value of its Eligible Assets equal to or greater than the Basic Maintenance Amount, as the case may be, cannot be so restored, all of the Outstanding Series B Preferred Shares, at a price equal to \$25.00 per share plus accumulated but unpaid dividends and distributions (whether or not earned or declared by the Fund) through the date of redemption (the "**Redemption Price**"). In the event that Preferred Shares are redeemed pursuant to paragraphs 6(b) or 6(c) of Part II hereof, the Fund may, but is not required to, redeem a sufficient number of Series B Preferred Shares pursuant to this paragraph 4(a) which, when aggregated with other Preferred Shares redeemed by the Fund, permits the Fund to have with respect to the Preferred Shares (including the Series B Preferred Shares) remaining Outstanding after such redemption (i) Asset Coverage of as much as 220% and (ii) Eligible Assets with Adjusted Value of as great as the certain percentage, as set forth in the applicable Rating Agency Guidelines, of the Basic Maintenance Amount. In the event that all of the Series B Preferred Shares then Outstanding are required to be redeemed pursuant to paragraph 6 of Part II hereof, the Fund shall redeem such shares at the Redemption Price and proceed to do so as set forth in paragraph 4(c) hereof.

(b) Optional Redemptions.

Prior to May 7, 2018, the Series B Preferred Shares are not subject to optional redemption by the Fund unless such redemption is necessary, in the judgment of the Board of Trustees, to maintain the Fund's status as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended, Basic Maintenance Amount or regulatory requirements. Commencing May 7, 2018, and thereafter, and prior thereto to the extent necessary to maintain the Fund's status as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended, Basic Maintenance Amount or regulatory requirements to the extent permitted by the 1940 Act and Delaware law, the Fund may at any time upon Notice of Redemption redeem the Series B Preferred Shares in whole or in part at the Redemption Price per share, which notice shall specify a redemption date of not fewer than 15 days nor more than 40 days after the date of such notice.

(c) Procedures for Redemption.

- (i) If the Fund shall determine or be required to redeem Series B Preferred Shares pursuant to this paragraph 4, it shall mail a written notice of redemption ("**Notice of Redemption**") with respect to such redemption by first class mail, postage prepaid, to each holder of the shares to be redeemed at such holder's address as the same appears on the stock register of the Fund on the close of business on such date as the Board of Trustees or its delegatee may determine, which date shall not be earlier than the second Business Day prior to the date upon which such Notice of Redemption is mailed to the holders of Series B Preferred Shares. Each such Notice of Redemption shall state: (A) the redemption date as established by the Board of Trustees or its delegatee; (B) the number of Series B Preferred Shares to be redeemed; (C) the CUSIP number(s) of such shares; (D) the Redemption Price (specifying the amount of accumulated dividends to be included therein); (E) the place or places where the certificate(s) for such shares (properly endorsed or assigned for transfer, if the Board of Trustees or its delegatee shall so require and the Notice of Redemption shall so state) are to be surrendered for payment in respect of such redemption; (F) that dividends and distributions on the shares to be redeemed will cease to accrue on such redemption date; (G) the provisions of this paragraph 4 under which such redemption is made; and (H) in the case of a redemption pursuant to paragraph 4(b), any conditions precedent to such redemption. If fewer than all Series B Preferred Shares held by any holder are to be redeemed, the Notice of Redemption mailed to such holder also shall specify the number or percentage of shares to be redeemed from such holder. No defect in the Notice of Redemption or the mailing thereof shall affect the validity of the redemption proceedings, except as required by applicable law.
- (ii) If the Fund shall give a Notice of Redemption, then by the close of business on the Business Day preceding the redemption date specified in the Notice of Redemption (so long as any conditions precedent to such redemption have been met) or, if the Dividend-Disbursing Agent so agrees, another date not later than the redemption date, the Fund shall (A) deposit with the Dividend-Disbursing Agent Deposit Assets that shall mature on or prior to such redemption date having an initial combined value sufficient to effect the redemption of the Series B Preferred Shares to be redeemed and (B) give the Dividend-Disbursing Agent irrevocable instructions and authority to pay the Redemption Price to the holders of the Series B Preferred Shares called for redemption on the redemption date. The Fund may direct the Dividend-Disbursing Agent with respect to the investment of any Deposit Assets so deposited provided that the proceeds of any such investment will be available at the opening of business on such redemption date. Upon the date of such deposit (unless the Fund shall default in making payment of the Redemption Price), all rights of the holders of the Series B Preferred Shares so called for

redemption shall cease and terminate except the right of the holders thereof to receive the Redemption Price thereof and such shares shall no longer be deemed Outstanding for any purpose. The Fund shall be entitled to receive, promptly after the date fixed for redemption, any cash in excess of the aggregate Redemption Price of the Series B Preferred Shares called for redemption on such date and any remaining Deposit Assets. Any assets so deposited that are unclaimed at the end of two years from such redemption date shall, to the extent permitted by law, be repaid to the Fund, after which the holders of the Series B Preferred Shares so called for redemption shall look only to the Fund for payment of the Redemption Price thereof. The Fund shall be entitled to receive, from time to time after the date fixed for redemption, any interest on the Deposit Assets so deposited.

- (iii) On or after the redemption date, each holder of Series B Preferred Shares that are subject to redemption shall surrender the certificate evidencing such shares to the Fund at the place designated in the Notice of Redemption in accordance with the procedures specified by the Fund and only upon such qualifying surrender shall then be entitled to receive the cash Redemption Price, without interest.
- (iv) In the case of any redemption of less than all of the Series B Preferred Shares pursuant to this Statement of Preferences, such redemption shall be made (A) pro rata from each holder of Series B Preferred Shares in accordance with the respective number of shares held by each such holder on the record date for such redemption or (B) by a lot or such other equitable methodology consistent with the 1940 Act as the Dividend Disbursing Agent shall determine after consultation with the Fund.
- (v) Notwithstanding the other provisions of this paragraph 4, the Fund shall not redeem Series B Preferred Shares unless all accumulated and unpaid dividends and distributions on all Outstanding Series B Preferred Shares and other Preferred Shares ranking on a parity with the Series B Preferred Shares with respect to dividends and distributions for all applicable past Dividend Periods (whether or not earned or declared by the Fund) shall have been or are contemporaneously paid or declared and Deposit Assets for the payment of such dividends and distributions shall have been deposited with the Dividend-Disbursing Agent as set forth in paragraph 2(c) of Part II hereof, *provided, however*, that the foregoing shall not prevent the purchase or acquisition of outstanding Preferred Shares pursuant to the successful completion of an otherwise lawful purchase or exchange offer made on the same terms to holders of all Outstanding Series B Preferred Shares or pursuant to any other lawful means.

If the Fund shall not have funds legally available for the redemption of, or is otherwise unable to redeem, all the Series B Preferred Shares or other Preferred Shares designated to be redeemed on any redemption date, the Fund shall redeem on such redemption date the number of

Series B Preferred Shares and other Preferred Shares so designated as it shall have legally available funds, or is otherwise able, to redeem ratably on the basis of the Redemption Price from each holder whose shares are to be redeemed, and the remainder of the Series B Preferred Shares and other Preferred Shares designated to be redeemed shall be redeemed on the earliest practicable date on which the Fund shall have funds legally available for the redemption of, or is otherwise able to redeem, such shares upon Notice of Redemption.

5. Voting Rights.

(a) General.

Except as otherwise provided in the Governing Documents or a resolution of the Board of Trustees or its delegatee, or as required by applicable law, holders of Series B Preferred Shares shall have no power to vote on any matter except matters submitted to a vote of the Common Shares. In any matter submitted to a vote of the holders of the Common Shares, each holder of Series B Preferred Shares shall be entitled to one vote for each Series B Preferred Share held and the holders of the Outstanding Preferred Shares, including Series B Preferred Shares, and the Common Shares shall vote together as a single class; *provided, however*, that at any meeting of the shareholders of the Fund held for the election of Trustees, the holders of the Outstanding Preferred Shares, including Series B Preferred Shares, shall be entitled, as a class, to the exclusion of the holders of all other securities and classes of capital shares of the Fund, to elect a number of Fund trustees, such that following the election of trustees at the meeting of the shareholders, the Fund's Board of Trustees shall contain two trustees elected by the holders of the Outstanding Preferred Shares, including the Series B Preferred Shares. Subject to paragraph 5(b) of Part II hereof, the holders of the outstanding capital shares of the Fund, including the holders of Outstanding Preferred Shares, including the Series B Preferred Shares, voting as a single class, shall elect the balance of the trustees.

(b) Right to Elect Majority of Board of Trustees.

During any period in which any one or more of the conditions described below shall exist (such period being referred to herein as a "**Voting Period**"), the number and/or composition of trustees constituting the Board of Trustees shall be adjusted as necessary to permit the holders of Outstanding Preferred Shares, including the Series B Preferred Shares, voting separately as one class (to the exclusion of the holders of all other securities and classes of capital shares of the Fund) to elect the number of trustees that, when added to the two trustees elected exclusively by the holders of Preferred Shares pursuant to paragraph 5(a) above, would constitute a simple majority of the Board of Trustees as so adjusted. The Fund and the Board of Trustees shall take all necessary actions, including effecting the removal of trustees or amendment of the Fund Declaration of Trust, to effect an adjustment of the number and/or composition of trustees as described in the preceding sentence. A Voting Period shall commence:

- (i) if at any time accumulated dividends and distributions (whether or not earned or declared, and whether or not funds are then legally available in an amount sufficient therefor) on the Outstanding Series B Preferred Shares equal to at least two full years' dividends and distributions shall be due and unpaid and sufficient cash or specified securities shall not have

been deposited with the Dividend-Disbursing Agent for the payment of such accumulated dividends and distributions; or

- (ii) if at any time holders of any other Preferred Shares are entitled to elect a majority of the Trustees of the Fund under the 1940 Act or Statement of Preferences creating such shares.

Upon the termination of a Voting Period, the voting rights described in this paragraph 5(b) shall cease, subject always, however, to the reverting of such voting rights in the holders of Preferred Shares upon the further occurrence of any of the events described in this paragraph 5(b).

(c) Right to Vote with Respect to Certain Other Matters.

Subject to paragraph 1 of Part III of this Statement of Preferences, so long as any Series B Preferred Shares are Outstanding, the Fund shall not amend, alter or repeal the provisions of this Statement of Preferences so as to in the aggregate adversely affect the rights and preferences set forth in any Statement of Preferences, including the Series B Preferred Shares, without the affirmative vote of the holders of a majority (as defined in the 1940 Act) of the Preferred Shares Outstanding at the time and present and voting on such matter, voting separately as one class. To the extent permitted under the 1940 Act, in the event that more than one series of Preferred Shares are Outstanding, the Fund shall not effect any of the actions set forth in the preceding sentence which in the aggregate adversely affects the rights and preferences set forth in the Statement of Preferences for a series of Preferred Shares differently than such rights and preferences for any other series of Preferred Shares without the affirmative vote of the holders of at least a majority of the Preferred Shares Outstanding and present and voting on such matter of each series adversely affected (each such adversely affected series voting separately as a class to the extent its rights are affected differently). The holders of the Series B Preferred Shares shall not be entitled to vote on any matter that affects the rights or interests of only one or more other series of Preferred Shares. Unless a higher percentage is required under the Governing Documents or applicable provisions of the Delaware Statutory Trust Act or the 1940 Act, the affirmative vote of the holders of a majority of the Outstanding Preferred Shares, including Series B Preferred Shares, voting together as a single class, will be required to approve any plan of reorganization adversely affecting the Preferred Shares or any action requiring a vote of security holders under Section 13(a) of the 1940 Act. For purposes of this paragraph 5(c), the phrase "vote of the holders of a majority of the Outstanding Preferred Shares" or series or series thereof (or any like phrase) shall mean, in accordance with Section 2(a)(42) of the 1940 Act, the vote, at the annual or a special meeting of the shareholders of the Fund duly called (i) of 67 percent or more of the Preferred Shares or series or series thereof present at such meeting, if the holders of more than 50 percent of the Outstanding Preferred Shares or series or series thereof are present or represented by proxy; or (ii) of more than 50 percent of the Outstanding Preferred Shares or series or series thereof, whichever is less. The class vote of holders of Preferred Shares described above will in each case be in addition to a separate vote of the requisite percentage of Common Shares and Preferred Shares, including Series B Preferred Shares, voting together as a single class, necessary to authorize the action in question. An increase in the number of authorized Preferred Shares pursuant to the Governing Documents or the issuance of additional shares of any series of Preferred Shares (including Series B Preferred Shares) pursuant

to the Governing Documents shall not be considered to adversely affect the rights and preferences of the Preferred Shares.

(d) Voting Procedures.

- (i) As soon as practicable after the accrual of any right of the holders of Preferred Shares to elect additional trustees as described in paragraph 5(b) above, the Fund shall call a special meeting of such holders and instruct the Dividend-Disbursing Agent to mail a notice of such special meeting to such holders, such meeting to be held not less than 10 nor more than 30 days after the date of mailing of such notice. If the Fund fails to send such notice to the Dividend-Disbursing Agent or if the Fund does not call such a special meeting, it may be called by any such holder on like notice. The record date for determining the holders entitled to notice of and to vote at such special meeting shall be the close of business on the day on which such notice is mailed or such other date as the Board of Trustees shall determine. At any such special meeting and at each meeting held during a Voting Period, such holders of Preferred Shares, voting together as a class (to the exclusion of the holders of all other securities and classes of capital shares of the Fund), shall be entitled to elect the number of trustees prescribed in paragraph 5(b) above on a one-vote-per-share basis. At any such meeting, or adjournment thereof in the absence of a quorum, a majority of such holders present in person or by proxy shall have the power to adjourn the meeting without notice, other than by an announcement at the meeting, to a date not more than 120 days after the original record date.
- (ii) For purposes of determining any rights of the holders of Series B Preferred Shares to vote on any matter or the number of shares required to constitute a quorum, whether such right is created by this Statement of Preferences, by the other provisions of the Governing Documents, by statute or otherwise, any Series B Preferred Share which is not Outstanding shall not be counted.
- (iii) The terms of office of all persons who are trustees of the Fund at the time of a special meeting of holders of Preferred Shares to elect trustees and who remain trustees following such meeting shall continue, notwithstanding the election at such meeting by such holders of the number of trustees that they are entitled to elect, and the persons so elected by such holders, together with the two incumbent trustees elected by the holders of Preferred Shares, and the remaining incumbent trustees elected by the holders of the Common Shares and Preferred Shares, shall constitute the duly elected trustees of the Fund.
- (iv) Upon the expiration of a Voting Period, the terms of office of the additional trustees elected by the holders of Preferred Shares pursuant to paragraph 5(b) above shall expire at the earliest time permitted by law,

and the remaining trustees shall constitute the trustees of the Fund and the voting rights of such holders of Preferred Shares, including Series B Preferred Shares, to elect additional trustees pursuant to paragraph 5(b) above shall cease, subject to the provisions of the last sentence of paragraph 5(b). Upon the expiration of the terms of the trustees elected by the holders of Preferred Shares pursuant to paragraph 5(b) above, the number of trustees shall be automatically reduced to the number of trustees on the Board immediately preceding such Voting Period.

(e) Exclusive Remedy.

Unless otherwise required by law, the holders of Series B Preferred Shares shall not have any rights or preferences other than those specifically set forth herein. The holders of Series B Preferred Shares shall have no preemptive rights or rights to cumulative voting. In the event that the Fund fails to pay any dividends and distributions on the Series B Preferred Shares or fails to complete any voluntary or mandatory redemption, the exclusive remedy of the holders shall be the right to vote for trustees pursuant to the provisions of this paragraph 5.

(f) Notification to Rating Agency.

In the event a vote of holders of Series B Preferred Shares is required pursuant to the provisions of Section 13(a) of the 1940 Act, as long as the Series B Preferred Shares are rated by a Rating Agency at the Fund request, the Fund shall, not later than ten Business Days prior to the date on which such vote is to be taken, notify the relevant Rating Agency that such vote is to be taken and the nature of the action with respect to which such vote is to be taken and, not later than ten Business Days after the date on which such vote is taken, notify such Rating Agency of the result of such vote.

6. Coverage Tests.

(a) Determination of Compliance.

For so long as any Series B Preferred Shares are Outstanding, the Fund shall make the following determinations:

- (i) Asset Coverage. The Fund shall have Asset Coverage as of the last Business Day of each March, June, September and December of each year in which any Series B Preferred Shares are Outstanding.
- (ii) Basic Maintenance Amount Requirement.
 - (A) So long as any Series B Preferred Shares are Outstanding and are rated by a Rating Agency at the Fund's request, the Fund shall maintain, on each Valuation Date, (i) Moody's Eligible Assets having an aggregate Discounted Value equal to or greater than the Basic Maintenance Amount (if Moody's is then rating the Series B Preferred Shares at the request of the Fund) and/or (ii) Other Rating Agency Eligible Assets having an aggregate Discounted

Value equal to or greater than the Basic Maintenance Amount (if any Other Rating Agency is then rating the Series B Preferred Shares at the request of the Fund).

- (B) The Fund shall deliver to each Rating Agency which is then rating Series B Preferred Shares at the request of the Fund and any other party specified in the Rating Agency Guidelines all certificates that are set forth in the respective Rating Agency Guidelines regarding the Basic Maintenance Amount and/or related calculations at such times and containing such information as set forth in the respective Rating Agency Guidelines (each, a "**Rating Agency Certificate**"). A failure by the Fund to deliver a Rating Agency Certificate with respect to the Basic Maintenance Amount shall be deemed to be delivery of a Rating Agency Certificate indicating the Discounted Value for all assets of the Fund is less than the Basic Maintenance Amount as of the relevant Valuation Date; provided, however, that the Fund shall have the ability to cure such failure to deliver a Rating Agency Certificate by delivery of such certificate not later than the Business Day following the date of receipt of written notice from such Rating Agency that the Fund failed to deliver such Rating Agency Certificate.

- (b) Failure to Meet Asset Coverage.

If the Fund fails to have Asset Coverage as provided in paragraph 6(a)(i) hereof and such failure is not cured as of the related Series B Asset Coverage Cure Date, (i) the Fund shall give a Notice of Redemption as described in paragraph 4 of Part II hereof with respect to the redemption of a sufficient number of Preferred Shares, which at the Fund determination (to the extent permitted by the 1940 Act and Delaware law) may include any proportion of Series B Preferred Shares, to enable it to meet the requirements of paragraph 6(a)(i) above, and, at the Fund's discretion, such additional number of Series B Preferred Shares or other Preferred Shares in order that the Fund have Asset Coverage with respect to the Series B Preferred Shares and any other Preferred Shares remaining Outstanding after such redemption as great as 220%, and (ii) deposit with the Dividend-Disbursing Agent Deposit Assets having an initial combined value sufficient to effect the redemption of the Series B Preferred Shares or other Preferred Shares to be redeemed, as contemplated by paragraph 4 of Part II hereof.

- (c) Failure to Maintain Eligible Assets having an Adjusted Value at Least Equal to the Basic Maintenance Amount.

If the Fund fails to have Eligible Assets having an Adjusted Value at least equal to the Basic Maintenance Amount as provided in paragraph 6(a)(ii)(A) above and such failure is not cured, the Fund shall, (i) on or prior to the Basic Maintenance Amount Cure Date, give a Notice of Redemption as described in paragraph 4 of Part II hereof with respect to the redemption of a sufficient number of Series B Preferred Shares or other Preferred Shares to enable it to meet the requirements of paragraph 6(a)(ii)(A) above, and, at the Fund's discretion, such additional number of Series B Preferred Shares or other Preferred Shares in order that the Fund have

Adjusted Assets with respect to the remaining Series B Preferred Shares and any other Preferred Shares remaining Outstanding after such redemption as great as the certain percentage, as set forth in the applicable Rating Agency Guidelines, of the Basic Maintenance Amount, and (ii) on or prior to the date of such redemption, deposit with the Dividend-Disbursing Agent Deposit Assets having an initial combined value sufficient to effect the redemption of the Series B Preferred Shares or other Preferred Shares to be redeemed, as contemplated by paragraph 4 of Part II hereof.

(d) Status of Shares Called for Redemption.

For purposes of determining whether the requirements of paragraphs 6(a)(i) and 5(a)(ii)(A) hereof are satisfied, (i) no Series B Preferred Share shall be deemed to be Outstanding for purposes of any computation if, prior to or concurrently with such determination, sufficient Deposit Assets to pay the full Redemption Price for such share shall have been deposited in trust with the Dividend-Disbursing Agent (or applicable paying agent) and the requisite Notice of Redemption shall have been given, and (ii) such Deposit Assets deposited with the Dividend-Disbursing Agent (or paying agent) shall not be included.

7. Certain Other Restrictions.

For so long as any Series B Preferred Shares are Outstanding and any Rating Agency is then rating the Series B Preferred Shares at the request of the Fund, the Fund will not engage in certain proscribed transactions set forth in the Rating Agency Guidelines, unless it has received written confirmation from each such Rating Agency that proscribes the applicable transaction in its Rating Agency Guidelines that any such action would not impair the rating then assigned by such Rating Agency to a Series B Preferred Shares.

8. Limitation on Incurrence of Additional Indebtedness and Issuance of Additional Preferred Shares

- (a) So long as any Series B Preferred Shares are Outstanding the Fund may issue and sell one or more series of a class of senior securities of the Fund representing indebtedness under Section 18 of the 1940 Act and/or otherwise create or incur indebtedness, provided that immediately after giving effect to the incurrence of such indebtedness and to its receipt and application of the proceeds thereof, the Fund shall have an "asset coverage" for all senior securities representing indebtedness, as defined in Section 18(h) of the 1940 Act, of at least 300% of the amount of all indebtedness of the Fund then Outstanding and no such additional indebtedness shall have any preference or priority over any other indebtedness of the Fund constituting senior securities upon the distribution of the assets of the Fund or in respect of the payment of interest. Any possible liability resulting from lending and/or borrowing portfolio securities, entering into reverse repurchase agreements, entering into futures contracts and writing options, to the extent such transactions are made in accordance with the investment restrictions of the Fund then in effect, shall not be considered to be indebtedness limited by this paragraph 8(a).

- (b) So long as any Series B Preferred Shares are Outstanding, the Fund may issue and sell shares of one or more other series of Preferred Shares constituting a series of a class of senior securities of the Fund representing stock under Section 18 of the 1940 Act in addition to the Series B Preferred Shares, provided that (i) the Fund shall, immediately after giving effect to the issuance of such additional Preferred Shares and to its receipt and application of the proceeds thereof, including, without limitation, to the redemption of Preferred Shares for which a Redemption Notice has been mailed prior to such issuance, have an "asset coverage" for all senior securities which are stock, as defined in Section 18(h) of the 1940 Act, of at least 200% of the sum of the liquidation preference of the Series B Preferred Shares and all other Preferred Shares of the Fund then Outstanding, and (ii) no such additional Preferred Shares shall have any preference or priority over any other Preferred Shares of the Fund upon the distribution of the assets of the Fund or in respect of the payment of dividends.

9. Status of Redeemed or Repurchased Series B Preferred

Series B Preferred Shares which at any time have been redeemed or purchased by the Fund shall, after such redemption or purchase, have the status of authorized but unissued Preferred Shares.

PART III
ABILITY OF THE BOARD OF TRUSTEES TO MODIFY THE STATEMENT OF
PREFERENCES

1. Modification to Prevent Ratings Reduction or Withdrawal.

The Board of Trustees or its delegatee, without further action by the shareholders, may amend, alter, add to or repeal any provision of this Statement of Preferences including provisions that have been adopted by the Fund pursuant to the Rating Agency guidelines, if the Board of Trustees or its delegatee determines that such amendments or modifications are necessary to prevent a reduction in, or the withdrawal of, a rating of the Preferred Shares and are in the aggregate in the best interests of the holders of the Preferred Shares.

2. Other Modification.

The Board of Trustees or its delegatee, without further action by the shareholders, may amend, alter, add to or repeal any provision of this Statement of Preferences including provisions that have been adopted by the Fund pursuant to the Rating Agency guidelines, if the Board of Trustees or its delegatee determines that such amendments or modifications will not in the aggregate adversely affect the rights and preferences of the holders of any series of the Preferred Shares, provided, that the Fund has received advice from each applicable Rating Agency that such amendment or modification is not expected to adversely affect such Rating Agency's then-current rating of such series of the Fund's Preferred Shares.

Notwithstanding the provisions of the preceding paragraph, to the extent permitted by law, the Board of Trustees or its delegatee, without the vote of the holders of the Series B Preferred Shares or any other capital shares of the Fund, may amend the provisions of this Statement of Preferences to resolve any inconsistency or ambiguity or to remedy any formal defect so long as the amendment does not in the aggregate adversely affect the rights and preferences of the Series B Preferred Shares.

IN WITNESS WHEREOF, GAMCO Global Gold, Natural Resources & Income Trust by Gabelli has caused these presents to be signed in its name and on its behalf by a duly authorized officer, who acknowledges said instrument to be the corporate act of the Fund, and states that to the best of such officer's knowledge, information and belief under penalty of perjury the matters and facts herein set forth with respect to approval are true in all material respects, all as of May 7, 2013.
