PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 7, 2013

INTRODUCTION; PROXY VOTING INFORMATION

Unless we have indicated otherwise, or the context otherwise requires, references in this proxy statement to “GAMCO Investors, Inc.,” “GAMCO,” “the Company,” “GBL,” “we,” “us” and “our” or similar terms are to GAMCO Investors, Inc., its predecessors and its subsidiaries.

We are sending you this proxy statement and the accompanying proxy card in connection with the solicitation of proxies by the Board of Directors of GAMCO (the “Board”) for use at our 2013 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the Indian Harbor Yacht Club, 710 Steamboat Road, Greenwich, CT 06830, on Tuesday, May 7, 2013, at 8:30 a.m. and at any adjournments or postponements thereof. The purpose of the meeting is to elect directors, ratify the appointment of the Company’s independent registered public accounting firm, vote on a proposal that the Board consider converting our Class B Common Stock into Class A Common Stock, and act upon any other matters properly brought to the meeting. We are sending you this proxy statement, the proxy card, and our annual report on Form 10-K (containing our financial statements and other financial information for the year ended December 31, 2012) on or about April 26, 2013. The annual report on Form 10-K, however, is not part of the proxy solicitation materials.

Shareholders of record at the close of business on March 25, 2013, the record date for the 2013 Annual Meeting, are entitled to notice of and to vote at the Annual Meeting. On this record date, we had outstanding 6,149,150 shares of Class A Common Stock, par value \$.001 per share (“Class A Stock”), and 19,564,174 shares of Class B Common Stock, par value \$.001 per share (“Class B Stock”).

The presence, in person or by proxy, of a majority of the aggregate voting power of the shares of Class A Stock and Class B Stock outstanding on March 25, 2013 shall constitute a quorum for the transaction of business at the Annual Meeting. The Class A Stock and Class B Stock vote together as a single class on all matters with the exception of Proposal 3, which will be determined by a majority of the shares of Class A Stock voted at the meeting. Each share of Class A Stock is entitled to one vote per share, and each share of Class B Stock is entitled to ten votes per share. Directors who receive a plurality of the votes cast at the Annual Meeting by the holders of Class A Stock and Class B Stock outstanding on March 25, 2013, voting together as a single class, are elected to serve until the 2014 Annual Meeting or until their successors are duly elected and qualified. Any other matters will be determined by a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will count for purposes of establishing a quorum but will not count as votes cast on any matter. Accordingly, abstentions and broker non-votes will have no effect on the election of directors, the proposal to ratify Deloitte & Touche LLP as GAMCO’s independent registered public accounting firm, or the proposal that the Board consider converting our Class B Common Stock into Class A Common Stock.

We will pay for the costs of soliciting proxies and preparing the meeting materials. We ask securities brokers, custodians, nominees and fiduciaries to forward meeting materials to our beneficial shareholders as of the record date and we will reimburse them for the reasonable out-of-pocket expenses they incur. Our directors, officers and staff members may solicit proxies personally or by telephone, facsimile, e-mail or other means but will not receive additional compensation for doing so.

If you are the beneficial owner, but not the record holder, of shares of our Class A Stock, your broker, custodian or other nominee may only deliver one copy of this proxy statement and our 2012 Annual Report to multiple shareholders who share an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly, upon written or oral request, a separate copy of this proxy statement and our 2012 Annual Report to a shareholder at a shared address to which a single copy of the

documents was delivered. A shareholder who wishes to receive a separate copy of the proxy statement and annual report, now or in the future, or who wishes to receive directions to the 2013 Annual Meeting, should submit this request by writing to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422 or by calling the Secretary at (914) 921-5000. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future will need to contact their broker, custodian or other nominee to request that only a single copy of each document be mailed to all shareholders at the shared address in the future.

The Board of Directors has selected each of Douglas R. Jamieson, Robert S. Zuccaro and Thomas J. Hearity to act as proxies. When you sign and return your proxy card, you appoint each of Messrs. Jamieson, Zuccaro and Hearity as your representatives at the meeting. You may revoke your proxy at any time before the meeting by delivering a letter of revocation to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422, by properly submitting another proxy bearing a later date or by voting in person at the meeting. The last proxy you properly submit is the one that will be counted.

Recommendation

The Board recommends that shareholders vote “**FOR**” all of the nominees to our Board of Directors.

Vote Required

Nominees who receive a plurality of the votes cast will be elected to serve as Directors of the Company until the 2014 Annual Meeting or until their successors are duly elected and qualified. Abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

We are asking our shareholders to ratify the selection of Deloitte & Touche LLP as the Company’s independent registered public accountants. In accordance with our governance documents, the Board believes that such submission is consistent with best practices in corporate governance and is an opportunity for shareholders to provide direct feedback to the Board of Directors on an important issue of corporate governance. In the event that the shareholders do not approve the selection of Deloitte & Touche LLP, the Audit Committee will reconsider the selection of Deloitte & Touche LLP.

Recommendation

The Board recommends that shareholders vote “**FOR**” ratification of Deloitte & Touche LLP as the Company’s independent registered public accountants for the year ended December 31, 2013.

Vote Required

Approval of Proposal 2 requires the affirmative vote of a majority of the votes cast on the proposal. Shareholders who return a signed proxy card but do not indicate how they wish to vote on Proposal 2 will be deemed to have voted FOR Proposal 2. Abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

PROPOSAL 3
VOTE ON BOARD CONSIDERATION OF RECLASSIFICATION OF CLASS B STOCK

As the Board requested in 2011 and 2012, holders of our Class A Stock are again asked to vote on whether the Board should consider the conversion and reclassification of all of our shares of Class B Stock into shares of Class A Stock at a ratio in the range between 1.15 to 1.25 shares of Class A Stock for each share of Class B Stock (the “Reclassification Proposal”). Our Board, however, has not determined whether to proceed with the conversion and reclassification of our Class B Stock or, if so, what an appropriate exchange ratio would be. As a matter of good corporate governance, the Board recommends that each shareholder vote on this proposal and strongly encourages each shareholder to do so, in order to provide further and updated shareholder guidance to the Board in this matter. The need for this guidance is underscored by the fact that, as described below, substantially less than a majority of our Class A shares were voted on this matter in 2011 and 2012. The Board urges each Class A shareholder to vote on this proposal so that the Board can determine the desire of a majority of the Class A shareholders. Such guidance would be useful, for example, in the Board’s consideration of whether to have any discussions on reclassification in the future with GGCP, the Company’s largest Class B shareholder. The Board will thus carefully consider the vote on the Reclassification Proposal and recommends that all Class A shareholders vote thereon, although the Board makes no recommendation on how shareholders should vote. The Board will also consider other factors relating to the possible conversion and reclassification of our Class B Stock. If our Board does determine that it would be in the best interests of all shareholders to convert and reclassify all of our shares of Class B Stock into shares of Class A Stock, we will present the proposal for a vote of the shareholders at our next annual meeting of shareholders.

Reclassification of Class B Stock

In February 1999, we sold 6 million shares of Class A Stock at \$17.50 per share in our initial public offering. At that time, GGCP and its subsidiaries owned all 24 million shares of our Class B Stock. The holders of Class A Stock were and are entitled to one vote per share while the holders of Class B Stock were and are entitled to ten votes per share. As of March 1, 2013, Mr. Gabelli and GGCP collectively owned 76% of our common stock outstanding on a combined basis, representing 96% of the total voting power on a combined basis. If the Class B Stock had been converted into Class A Stock on March 1, 2013, using a conversion ratio of 1.15 and a conversion ratio of 1.25 shares of Class A Stock for Class B Stock, then the Class B shareholders (with GGCP and Mr. Gabelli owning 99.2% of the Class B Stock) would collectively own 78% and 79%, respectively, of the Company’s outstanding stock and voting power.

The Company is considering eliminating its dual class structure in which our Class A Stock has one vote per share and our Class B Stock has ten votes per share. One way of eliminating the dual class structure would be to convert and reclassify all outstanding shares of Class B Stock into shares of Class A Stock. Except for the advisory proposals previously voted on by the shareholders as described below, the Board has not considered any procedures for eliminating the Company’s dual class structure.

Purpose and Results of Vote

The Reclassification Proposal seeks to determine whether our holders of Class A Stock want the Board to consider converting and reclassifying all outstanding shares of Class B Stock into shares of Class A Stock at a ratio in the range between 1.15 to 1.25 shares of Class A Stock for each share of Class B Stock. The hypothetical conversion ratio range does not represent the Board’s view as to a fair or appropriate conversion ratio if the shares of Class B Stock were to be converted into shares of Class A Stock. The hypothetical conversion ratio range, however, does reflect the Board’s belief that the holders of the Class B Stock will not agree to convert their shares and give up their enhanced voting power unless this ratio is greater than one share of Class A Stock for each share of Class B Stock.

Before expending resources to obtain a “fairness opinion” from an independent party and evaluate various options for eliminating the dual class structure, the Board believes that it is appropriate to solicit the views of the holders of our Class A Stock. If the proposal is approved, the Board will consider whether the conversion ratio in the range between 1.15 to 1.25 is fair and may seek to retain an independent party to render a “fairness opinion.”

Even if the Reclassification Proposal is approved, there can be no assurance that the shares of Class B Stock will be converted into shares of Class A Stock at a ratio in the range between 1.15 to 1.25 or at any other ratio. If the Reclassification Proposal is approved, the Board will evaluate the proposal and, if after such evaluation the Board concludes that we should convert all of the shares of Class B Stock into shares of Class A Stock at a particular ratio, the Board will present the proposal and ratio for shareholder approval in our proxy statement for the 2014 annual meeting of shareholders.

In light of the current stock ownership, even if all of our shares of Class B Stock were converted into shares of Class A Stock, Mario J. Gabelli and GGCP would continue to own a majority of our shares of common stock outstanding and a majority of the total voting power.

At a special meeting of our shareholders held on November 30, 2007, the shareholders of the Class A Stock approved a proposal by 97.7% of the votes cast that our Board of Directors should consider the conversion and reclassification on the Company's Class B Stock to Class A Stock at a ratio of 1.15 shares of Class A Stock for each share of Class B Stock. In 2008, our Board, after preliminary discussions with representatives of the Board of GGCP, elected to defer its decision on converting and reclassifying all of the Class B Stock into shares of the Class A Stock. Subsequently, at the annual meeting of shareholders held on May 6, 2011, the Class A shareholders approved an advisory proposal on whether the Board should consider reclassification, at a ratio of 1.10 to 1.20 shares of Class A for Class B Stock, by 86% of the votes cast. However, the total votes cast on the advisory Reclassification Proposal in 2011 constituted well under a majority (36.3%) of the Class A shares then outstanding. At the annual meeting of shareholders held on May 1, 2012, the Class A shareholders approved an advisory proposal on whether the Board should consider reclassification, at a ratio of 1.15 to 1.25 shares of Class A for Class B stock, by 85% of the votes cast. However, as in 2011, the total votes cast on the advisory Reclassification Proposal in 2012 were well under a majority (39%) of the Class A shares then outstanding. The Board has continued to consider reclassification but has determined that, in light of the relatively low percentages of Class A shares voted on the proposal in 2011 and 2012, among other things, it would be appropriate and helpful to the Board to ask, encourage and recommend that the Class A shareholders vote on reclassification at the 2013 annual meeting.

Recommendation

The Board urges Class A shareholders to vote on this proposal, although the Board does not make any recommendation on how shareholders should vote with respect to this proposal.

Vote Required

Approval of Proposal 3 requires the affirmative vote of a majority of the votes cast by Class A shareholders for this advisory proposal. Shareholders who return a signed proxy card but do not indicate how they wish to vote on Proposal 3 will be deemed to have abstained on Proposal 3. Abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

CORPORATE GOVERNANCE

GAMCO continually strives to maintain the highest standards of ethical conduct: reporting results with accuracy and transparency and maintaining full compliance with the laws, rules and regulations that govern the Company's businesses. The Company is active in ensuring that its governance practices continue to serve the interests of its shareholders and remain at the leading edge of best practices

Determination of Director Independence

The Board of Directors has established guidelines which it uses in determining director independence and that are based on the director independence standards of the New York Stock Exchange. A copy of these guidelines can be found as Exhibit A. These guidelines are also attached to the Board's Corporate Governance Guidelines, which are available at the following website: www.gabelli.com/corp_gov.html. A copy of these guidelines may also be obtained upon request from our Secretary.

In making its determination of independence with respect to Mr. Prather, the Board considered that the investment advisory subsidiaries of the Company collectively own on behalf of their investment advisory clients as of March 1, 2013 approximately 1.76% of the Class A Common Stock and 4.01% of the Common Stock of Gray Television, Inc. ("Gray"). This ownership represents approximately 2.83% of the total voting power of Gray. Mr. Prather serves as President and Chief Operating Officer and a director of Gray. Furthermore, an investment advisory affiliate of the Company nominated Mr. Prather as a director of Gaylord Entertainment Company ("Gaylord") in 2009, and Mr. Prather was elected as a director of Gaylord on May 7, 2009. Gaylord subsequently converted into a real estate investment trust named Ryman Hospitality Properties, Inc. ("Ryman") in October 2012, and Mr. Prather remains on Ryman's board of directors. The Company collectively owns on behalf of their investment advisory clients approximately 13.10% of Ryman's Common Stock representing approximately 13.10% of the total voting power of Ryman as of March 15, 2013. From time to

time, investment advisory affiliates of the Company have nominated and may continue to nominate Mr. Prather to the Boards of public companies, such as Myers Industries, Inc. (“Myers”) and Diebold.

In making its determination of independence with respect to Mr. Bready, the Board considered that from time to time, investment advisory affiliates of the Company have nominated and may continue to nominate Mr. Bready to the Boards of companies such as Myers.

The Company’s affiliates may also nominate other directors to the Boards of companies that are beneficially owned on behalf of its clients. The Board further considered the difficulty the Company would encounter in attempting to unilaterally affect the management of Gray, Ryman, Myers or Diebold through the use of its voting power.

In making its determination of independence with respect to Mr. Avansino, the Board considered that he has a daughter who works for the Company in a non-executive role, as described under “Certain Relationships and Related Transactions”. In addition, the Board considered that he is the Chairman and the President of Miami Oil Producers, Inc. (“Miami Oil”), the landlord of a lease that was entered into in 1999 with the Corporation for office space in Nevada. The Corporation paid \$43,920, \$38,856 and \$38,856 in rent to Miami Oil in 2010, 2011 and 2012, respectively. Mr. Avansino is not a shareholder of Miami Oil.

With respect to these relationships, the Board considered Messrs. Avansino’s, Bready’s and Prather’s lack of economic dependence on the Company and other personal attributes that need to be possessed by independent-minded directors. Based on these guidelines and considerations, the Board concluded that the following directors were independent and determined that none of them had a material relationship with us which would impair his ability to act as an independent director: Messrs. Artzt, Avansino, Bready, McGrath and Prather.

The table below sets forth certain information regarding the nominees to the Board of Directors and Committees on which they serve.

The Board’s Role in the Oversight of Risk

The Board’s oversight of risk is administered directly through the Board, as a whole, or through its Committees. Various reports and presentations regarding risk management are presented to the Board including the procedures that the Company has adopted to identify and manage risk. Each of the Board’s Committees addresses risks that fall within the Committee’s area of responsibility. For example, the Audit Committee is responsible for “overseeing the quality and objectivity of GAMCO’s financial statements and the independent audit thereof.” The Audit Committee reserves time at each of its quarterly meetings to meet with the Company’s independent registered public accounting firm outside of the presence of the Company’s management. The Director of Internal Audit also is significantly involved in risk management evaluation and designs the Company’s internal audit programs to take account of risk evaluation and work in conjunction with the Chief Financial Officer. The Director of Internal Audit reports directly to the Company’s Audit Committee.

Relationship of Compensation and Risk

The Compensation Committee of the Board of Directors works with the Chief Executive Officer in reviewing the significant elements of the Company's compensation policies and programs for all staff. They evaluate the intended behaviors each program is designed to incentivize to ensure that such policies and programs are appropriate for the Company.

The Board of Directors and Committees

During 2012, there were six meetings of the Board of Directors. Our Board of Directors has an Audit Committee, a Compensation Committee, a Governance Committee and a Nominating Committee. We are deemed to be a "controlled company" as defined by the corporate governance standards of the New York Stock Exchange by virtue of the fact that GGCP holds more than 50% of the voting power of the Company. As a result, we are exempt from the corporate governance standards of the New York Stock Exchange requiring that a majority of the Board of Directors be independent and that all members of the Governance, Nominating and Compensation Committees be independent. While the Company is a controlled Company, the Board nevertheless is comprised of a majority of independent directors.

The Board believes that the most effective leadership structure is for the Company's Chief Executive Officer to serve as Chairman given that Mr. Gabelli is the controlling shareholder of the Company. By having Mr. Gabelli serve as the Chief Executive Officer and as Chairman, the Board believes that it enables Mr. Gabelli to ensure that the Board's agenda responds to strategic challenges, that the Board is presented with information required for it to fulfill its responsibilities, and that Board meetings are as productive and effective as possible.

Our non-management directors meet, without any management directors or employees present, immediately after our regular quarterly Board meetings. At least once each year, our independent directors meet in a separate executive session. Mr. Prather serves as lead independent director and chairs the meetings of our non-management and independent directors.

The Audit Committee regularly meets with our independent registered public accounting firm to ensure that satisfactory accounting procedures are being followed and that internal accounting controls are adequate, reviews fees charged by the independent registered public accounting firm and selects our independent registered public accounting firm. Messrs. Artzt, Avansino, Bready, McGrath and Prather, each of whom is an independent director as defined by the corporate governance standards of the New York Stock Exchange and the Company's guidelines as set forth in Exhibit A, are members of the Audit Committee. The Board has determined that Mr. Prather meets the standards of an "audit committee financial expert," as defined by the applicable securities regulations. The Audit Committee met five times during 2012. A copy of the Audit Committee's charter is posted on our website at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Compensation Committee reviews the amounts paid to the Chief Executive Officer for compliance with the terms of his employment agreement and generally reviews benefits and compensation for the other executive officers. It also administers our Stock Award and Incentive Plan. Messrs. Bready and Prather, each of whom is an independent director, are the members of the Compensation Committee. The Compensation Committee does not have a formal policy regarding delegation of its authority. The Compensation Committee met six times during 2012. A copy of the Compensation Committee's charter is posted on our website at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Governance Committee advises the Board on governance policies and procedures. Messrs. Avansino, Bready and McGrath, each of whom is an independent director, are the members of the Governance Committee. The Governance Committee met once in 2012. A copy of the Governance Committee's charter is posted on our website at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Nominating Committee advises the Board of Directors on the selection and nomination of individuals to serve as directors of GAMCO. Nominations for director, including nominations for director submitted to the committee by shareholders, are evaluated according to our needs and the nominee's knowledge, experience and background. Mario Gabelli and Elisa Wilson are the members of the Nominating Committee. Neither Mr. Gabelli nor Ms. Wilson is an independent director as defined by the corporate governance standards of the Company. The Nominating Committee met once in 2012. A copy of the Nominating Committee's charter is posted on our website at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary. The Nominating Committee has adopted the following policy regarding diversity: When identifying nominees as directors, the Committee will have a bias to have diverse representation of candidates who serve or have served as chief executive officers or presidents of public or private corporations or entities that are either for-profit or not-for-profit. In accordance with its charter, the Nominating Committee will review the suitability for continued service as a director of each Board member when his or her term

expires and when he or she has a change in status, including but not limited to an employment change, and recommend whether or not the director should be re-nominated. The Nominating Committee will review annually with the Board the composition of the Board as a whole and recommend, if necessary, measures to be taken.

Consideration of Director Candidates Recommended by Shareholders

The Nominating Committee does not have a formal policy regarding the recommendation of director candidates by shareholders. The Board of Directors believes it is appropriate not to have such a policy because GGCP holds the majority of the voting power. Nevertheless, the Nominating Committee will consider appropriate candidates recommended by shareholders. Under the process described below, a shareholder wishing to submit such a recommendation should send a letter to our Secretary at One Corporate Center, Rye, NY 10580 for receipt between January 7, 2014 and February 6, 2014. The mailing envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications. At a minimum, candidates recommended for election to the Board of Directors must meet the independence standards of the New York Stock Exchange as well as any criteria used by the Nominating Committee. The Nominating Committee will consider and evaluate candidates recommended by shareholders in the same manner as it considers candidates from other sources. Acceptance of a recommendation does not imply that the committee will ultimately nominate the recommended candidate.

Process for the Consideration of Director Candidates Nominated by Shareholders and of Business Proposed by Shareholders

GAMCO's Amended and Restated By-Laws set forth the processes and advance notice procedures that shareholders of GAMCO must follow, and specifies additional information that shareholders of GAMCO must provide, when proposing director nominations at any annual or special meeting of GAMCO's shareholders or other business to be considered at an annual meeting of shareholders. Generally, the By-Laws provide that advance notice of shareholder nominations or proposals of business be provided to GAMCO not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the preceding annual meeting of shareholders. For the 2014 Annual Meeting, such notice of nomination or other business must be received at GAMCO's principal executive offices between January 7, 2014 and February 6, 2014.

Article III, Paragraph 6 of GAMCO's Amended and Restated By-Laws sets out the procedures a shareholder must follow in order to nominate a candidate for Board membership. For these requirements, please refer to the Amended and Restated By-Laws as of May 24, 2010, filed with the Securities and Exchange Commission on May 28, 2010, as Exhibit 3.1 to a Current Report on Form 8-K. The Amended and Restated By-Laws are also available in the "Investor Relations" section of the Company's website.

During 2012, all of the directors attended at least 75% of the meetings of the Board and the Board committees of which he or she was a member. All of our Directors attended our 2012 annual meeting. We do not have a policy regarding directors' attendance at our annual meetings.

In February 2011, Ms. Wilson was granted options to purchase 10,000 shares of Class A Stock at an exercise price of \$45.77.

All of the stock options held by our directors were granted at 100% of fair market value of the Class A Stock calculated on the date of grant and have a ten-year term. The options granted to our directors become exercisable with respect to 75% of the shares after three years from the date of grant and with respect to the remaining 25% of the shares after four years from the date of grant.

Communications with the Board of Directors

Our Board of Directors has established a process for shareholders and other interested parties to send communications to the Board of Directors. Shareholders or other interested parties who wish to communicate with the Board of Directors, the non-management or independent directors, or a particular director may send a letter to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Board Communication” or “Director Communication.” All such letters must identify the author and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Code of Business Conduct

We have adopted a Code of Business Conduct (the “Code of Conduct”) that applies to all of our officers, directors and staff members with additional requirements for our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Conduct is posted on our website at www.gabelli.com/corp_gov.html. Any shareholder may also obtain a copy of the Code of Conduct upon request. Shareholders may address a written request for a printed copy of the Code of Conduct to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, New York 10580-1422. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the Code of Conduct by posting such information on our website.

Transactions with Related Persons

Our Board has adopted written procedures governing the review, approval or ratification of any transactions with related persons required to be reported in this proxy statement. The procedures require that all related party transactions, other than certain pre-approved categories of transactions, be reviewed and approved by our Governance Committee or the Board of Directors. Under the procedures, directors may not participate in any discussion or approval by the Board of related party transactions in which they or a member of their immediate family is a related person, except that they shall provide information to the Board concerning the transaction. Only transactions that are found to be in the best interests of the Company will be approved.

Currently, we have a number of policies and procedures addressing conflicts of interest. Our Code of Conduct addresses the responsibilities of our officers, directors and staff to disclose conflicts of interest to our Legal/Compliance Department, which determines whether the matter constitutes a related party transaction that should be reviewed by our Governance Committee or Board of Directors. Generally, matters involving employer-employee relationships including compensation and benefits, ongoing arrangements that existed prior to our initial public offering and financial service relationships including investments in our funds are not presented for review, approval or ratification by our Governance Committee or Board of Directors.

Furthermore, our Certificate of Incorporation provides that no contract, agreement, arrangement or transaction, or any amendment, modification or termination thereof, or any waiver of any right thereunder, (each, a “Transaction”) between GAMCO and:

- (i) Mario J. Gabelli, any member of his immediate family who is at the time an officer or director of GAMCO and any entity in which one or more of the foregoing beneficially own a controlling interest of the outstanding voting securities or comparable interests (each, a “Gabelli”),
- (ii) any customer or supplier,
- (iii) any entity in which a director of GAMCO has a financial interest (a “Related Entity”), or
- (iv) one or more of the directors or officers of GAMCO or any Related Entity;

will be voidable solely because any of the persons or entities listed in (i) through (iv) above are parties thereto, if the standard specified below is satisfied.

Further, no Transaction will be voidable solely because any such directors or officers are present at or participate in the meeting of the Board of Directors or committee thereof that authorizes the Transaction or because their votes are counted for such purpose, if the standard specified below is satisfied. That standard will be satisfied, and such Gabelli, the Related Entity, and the directors and officers of GAMCO or the Related Entity (as applicable) will be deemed to have acted reasonably and in good faith (to the extent such standard is applicable to such person’s conduct) and fully to have satisfied any duties of loyalty and fiduciary duties they may have to GAMCO and its shareholders with respect to such Transaction, if any of the following four requirements are met:

- (i) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the Board of Directors or the committee thereof that authorizes the Transaction, and the Board of Directors or such committee in good faith approves the Transaction by the affirmative vote of a majority of the disinterested directors on the Board of Directors or such committee, even if the disinterested directors are less than a quorum;
- (ii) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the holders of Voting Stock entitled to vote thereon, and the Transaction is specifically approved by vote of the holders of a majority of the voting power of the then outstanding Voting Stock not owned by such Gabelli or such Related Entity, voting together as a single class;
- (iii) the Transaction is effected pursuant to guidelines that are in good faith approved by a majority of the disinterested directors on the Board of Directors or the applicable committee thereof or by vote of the holders of a majority of the then outstanding voting Stock not owned by such Gabelli or such Related Entity, voting together as a single class; or
- (iv) the Transaction is fair to GAMCO as of the time it is approved by the Board of Directors, a committee thereof or the shareholders of GAMCO.

The Certificate of Incorporation also provides that any such Transaction authorized, approved, or effected, and each of such guidelines so authorized or approved, as described in (i), (ii) or (iii) above, will be deemed to be entirely fair to GAMCO and its shareholders, except that, if such authorization or approval is not obtained, or such Transaction is not so effected, no presumption will arise that such Transaction or guideline is not fair to GAMCO and its shareholders. In addition, the Certificate of Incorporation provides that a Gabelli will not be liable to GAMCO or its shareholders for breach of any fiduciary duty that a Gabelli may have as a shareholder of GAMCO by reason of the fact that a Gabelli takes any action in connection with any transaction between such Gabelli and GAMCO. For purposes of these provisions, interests in an entity that are not equity or ownership interests or that constitute less than 10% of the equity or ownership interests of such entity will not be considered to confer a financial interest on any person who beneficially owns such interests.

A description of certain related party transactions appears under the heading “Certain Relationships and Related Transactions” on pages 23-27 of this proxy statement.

Compensation Committee Interlocks and Insider Participation

COMPENSATION OF EXECUTIVE OFFICERS

COMPENSATION DISCUSSION AND ANALYSIS

The investment management and securities industries are highly competitive, and experienced professionals have significant career mobility. We believe that the ability to attract, retain and provide appropriate incentives for the highest quality professional personnel is important for maintaining our competitive position in the investment management and securities industries, as well as for providing for the long-term success of GAMCO.

Most of GAMCO’s compensation expense is incentive-based variable compensation that will increase or decrease based on the revenues from our assets under management. Since 1977, we have generally paid out up to 40% of the revenues or net operating contribution to the marketing staff and portfolio managers who introduce, service or generate our separate account and mutual fund business, with payments involving the separate accounts being typically based on revenues, and payments involving the mutual funds being typically based on net operating contribution. We believe that the variable compensation formulas in place for our marketing staff and portfolio managers provide significant incentives for the growth of our business and a cushion during periods of market decline.

Our administrative, operations, legal and finance personnel generally receive the majority of their compensation in the form of base salaries and annual bonuses. We believe that GAMCO must pay competitive levels of cash compensation. We also believe that appropriate equity incentive programs may motivate and retain our professional personnel but that these programs must always be consistent with shareholder interests.

The Compensation Committee and the Board of Directors have continued to consider the results of the shareholders’ non-binding vote in 2011 on our “say-on-pay” proposal. A substantial majority (over 99%) of the shares voted on our “say-on-pay” proposal approved the Company’s executive compensation as described in our Compensation Discussion and Analysis and the accompanying tabular disclosures in the 2011 proxy statement. As a result of this favorable vote, it was determined that no changes were necessary to our executive compensation program’s design and administration. The Board believes that this continues to be the case. Because a majority of votes cast at the 2011 annual meeting of shareholders were in favor of having a “say-on-pay” vote every three years, the Board has adopted a triennial frequency policy. Therefore, our next “say-on-pay” vote will be held at the 2014 annual meeting of shareholders.

Compensation of the Named Executive Officers

The compensation for our named executives (other than for Mr. Gabelli, whose compensation is described separately below under the section entitled “Chief Executive Officer Compensation”) is composed of base salary, annual bonus compensation, equity compensation, incentive-based variable compensation and employee benefits.

- ***Base Salary***

Mr. Gabelli recommends to the Compensation Committee the amounts of the base salaries for our named executives, other than Mr. Gabelli himself, which amounts are subject to the Committee's review and approval, and are not at the discretion of the named executives. Mr. Gabelli received no base salary in 2012.

- ***Annual Bonus***

Mr. Gabelli recommends to the Compensation Committee the amounts of the annual bonuses for our named executives, other than Mr. Gabelli himself, which amounts are subject to the Committee's review and approval. The factors considered by Mr. Gabelli in making annual bonus recommendations are typically subjective, such as perceptions of the named executives' experience, performance and responsibilities. His recommendations may be but are not specifically tied to the performance of client assets, objectives set for each executive, the firm as a whole or the market value of our stock.

A portion of the annual bonuses for our named executives may be deferred for approximately 15 to 18 months. The terms of the deferrals are recommended by Mr. Gabelli to the Compensation Committee, which terms are subject to the Committee's review and approval, and are not at the discretion of the named executives. The deferrals typically earn a return equal to the greater of the return on our U.S. Treasury money market fund or the return of one of our investment partnerships after payment of the management fee but before payment of any incentive fee. In order to receive the deferred bonus payment, the named executive must be employed by the Company at the time of payment. There were no deferrals in 2012.

- ***Equity Compensation***

Our executive compensation program may also include stock option or restricted stock awards (sometimes referred to hereinafter as "RSAs"), which are intended to provide additional incentives to increase shareholder value as well as retain qualified individuals. Mr. Gabelli makes recommendations to the Compensation Committee for the grant of stock awards to corporate team members. Individual stock option award levels in past years and individual restricted stock award levels in 2012 and in past years were based upon a subjective evaluation of each named executive's overall past and expected future contribution. No formula was used to determine the timing or amount of option awards and RSAs for any individual.

- ***Variable Compensation***

To the extent that they have the proper regulatory registrations, all of our staff, including the named executives, are eligible to receive incentive-based variable compensation for attracting or providing client service to separate accounts, shareholders of the Gabelli/GAMCO Funds or investors in our other products. Mr. Jamieson, who provides client service to a significant number of separate accounts, received the majority of his total 2012 compensation from variable compensation payments, as described below in note (d) to the Summary Compensation Table.

In the course of fulfilling Mr. Gabelli's duties, the Company at times brings on certain individuals to aid him. When this occurs, the Company offsets those costs by a reduction in compensation payable to Mr. Gabelli. In 2012, this amounted to \$710,000. Of this amount, \$250,000 was allocated to Mr. Zuccaro for his service as Executive Vice President and Chief Financial Officer and \$200,000 was allocated to Ms. Mullady for her service as Senior Vice President. Because these compensation arrangements with respect to covered employees involve variable incentive-based fees, the \$1 million deductibility limit of Section 162(m) of the Internal Revenue Code is generally not expected to apply to the payments.

Chief Executive Officer Compensation

Mr. Gabelli received no base salary, no bonus, no stock options and no restricted stock awards in 2012, as has been the case for each year since our initial public offering in 1999. All of the compensation paid to Mr. Gabelli in 2012 was incentive-based variable compensation that was paid in accordance with Mr. Gabelli's 2008 Employment Agreement, which revised his 1999 employment agreement as described under the heading "Employment Agreements" below.

Compensation Consultants

The Company has not retained compensation consultants to assist in determining or recommending the amount or form of executive and director compensation during its last fiscal year.

His annual 2011 salary rate was \$350,000. His all other compensation in 2012 and 2011 represents his allocation of \$250,000 and \$500,000, respectively, of the incentive-based management fee (10% of GAMCO pre-tax profits) by Mr. Gabelli as described in the “Variable Compensation” section of the Compensation and Discussion Analysis and in footnote (c) above as well as a payment in lieu of health insurance of \$4,000 in 2012.

For a summary of the assumptions made in the valuation of these awards, please see Note A, “Significant Accounting Policies – Stock Based Compensation”, to our audited financial statements included in our Annual Report on Form 10-K for the years ended on each of December 31, 2012, December 31, 2011 and December 31, 2010.
- (h) Ms. Mullady’s 2010 base salary amount represents the amount she earned after being on a voluntary leave of absence from the Company during that year. Had Ms. Mullady not been on a leave, she would have earned a base salary of approximately \$282,000 in 2010. Her all other compensation in 2012 represents her allocation of \$200,000 of the incentive-based management fee (10% of GAMCO pre-tax profits) by Mr. Gabelli as described in the “Variable Compensation” section of the Compensation and Discussion Analysis and in footnote (c) above.

- (a) Mr. Gabelli has never received either options or restricted stock awards from the Company. He recommends the grant of stock awards for corporate team members to the Compensation Committee, as described in the Compensation Discussion and Analysis above.
- (b) In accordance with the SEC’s disclosure rules, the amounts reported in this table reflect the fair value on the effective grant date of the stock awards, determined in accordance with FASB ASC Topic 718, granted to the named executive officers during 2012.
- (c) In November 2012, subsequent to the date of these 2012 grants, the Board of Directors accelerated the lapsing of restrictions on all outstanding RSAs, including those for the named executives. Therefore, the RSA grants showing on the above table were fully vested as of November 13, 2012. See “Options Exercises and Stock Vested for 2012” table on page 21 for further information.

Employment Agreements. Mr. Gabelli is currently the only named executive who has an employment agreement with the Company.

Mario J. Gabelli. On February 6, 2008, Mr. Gabelli entered into an amended and restated employment agreement (the “2008 Employment Agreement”) with the Company, which was approved by the Company’s shareholders on November 30, 2007 and which limits his activities outside of the Company. The 2008 Employment Agreement has a three-year initial term with an automatic extension for an additional year on each anniversary of its effective date unless either party gives written notice of termination at least 90 days in advance of the expiration date. The 2008 Employment Agreement allows Mr. Gabelli to perform investment management services for former subsidiaries that are spun off to shareholders or otherwise cease to be subsidiaries in similar transactions and permits new investors in the outside accounts if all of the performance fees, less expenses, generated by assets attributable to such investors are paid to the Company. The 2008 Employment Agreement was last submitted to, and re-approved by, the Company’s shareholders at the Annual Shareholders’ Meeting held on May 6, 2011.

Mr. Gabelli (or, at his option, his designee) receives an incentive-based management fee in the amount of 10% of our aggregate annual pre-tax profits, if any, as computed for financial reporting purposes in accordance with U.S. generally accepted accounting principles (before consideration of this fee) so long as he is an executive of the Company and devotes the substantial majority of his working time to our business. This incentive-based management fee is subject to the Compensation Committee’s review at least annually for compliance with the terms of the 2008 Employment Agreement. The 2008 Employment Agreement may not be amended without the approval of the Compensation Committee and Mr. Gabelli.

In accordance with the 2008 Employment Agreement, Mr. Gabelli chose to allocate \$710,000, \$510,000, and \$2,402,542, of his management fee to certain other professional staff members of the Company in 2012, 2011 and 2010, respectively. He also elected to waive receipt of \$2,500,000 of his portfolio manager and other variable remuneration in 2012 and \$2,350,000 of his management fee in 2011. Mr. Gabelli earned (after allocations and waiver) the following incentive-based management fees during the past five years:

	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>2011</u>	<u>2012</u>
Management Fee (\$ in millions)	2.4	5.8	9.6	9.4	12.3

Consistent with the Company's practice since its inception in 1977, Mr. Gabelli will also continue receiving a percentage of revenues or net operating contribution, which are substantially derived from assets under management, as compensation relating to or generated by the following activities: (i) managing or overseeing the management of various investment companies and partnerships, (ii) attracting mutual fund shareholders, (iii) attracting and managing separate accounts and alternative funds, and (iv) otherwise generating revenues for the Company. Such payments are made in a manner and at rates as agreed to from time to time by GAMCO, which rates have been and generally will be the same as those received by other professionals at GAMCO performing similar services. With respect to our institutional and high net worth asset management and mutual fund advisory business, we pay out up to 40% of the revenues or net operating contribution to the portfolio managers and marketing staff who introduce, service or generate such business, with (i) payments involving the separate accounts being typically based on revenues and (ii) payments involving the mutual funds being typically based on net operating contribution.

In accordance with the terms of his 2008 Employment Agreement, Mr. Gabelli has agreed that while he is employed by us he will not provide investment management services outside of GAMCO, except for certain permitted accounts or except for services to be performed for former subsidiaries that are spun off from the Company such as Teton. During 2012, Mr. Gabelli served as a portfolio manager for Teton and as a portfolio manager for various privately offered funds.

Outstanding Equity Awards at December 31, 2012

There were no outstanding equity awards for the named executives as of December 31, 2012. During 2012, the Board of Directors accelerated the lapsing of restrictions on all outstanding RSAs, including those for the named executives.

Options Exercises and Stock Vested for 2012

The following table summarizes stock options exercised by and restricted stock awards which vested for the named executives during 2012.

<u>Name</u>	<u>Option awards</u>		<u>Restricted stock awards</u>		
	<u>Number of shares acquired on exercise (#)</u>	<u>Value realized on exercise (\$)</u>	<u>Number of shares acquired on vesting (#)</u>	<u>Value realized on vesting (\$)</u>

Henry Van der Eb	-0-	-0-	1,500	71,355	(a)

(a) Includes \$8,205, \$19,534, and \$2,670 payment on the vesting date of accumulated cash dividends on these RSAs for Mr. Zuccaro, Ms. Mullady, and Mr. Van der Eb, respectively.

(b) Includes \$10,538 value of the Company's 0% debenture due 12/31/15 related to Ms. Mullady's accumulated scrip dividend on the vesting date on these RSAs.

Nonqualified Deferred Compensation Table for 2012

There was no nonqualified deferred compensation payable to the named executives during 2012.

Potential Payments upon Termination of Employment or Change-of-Control.

In November 2012, the Board of Directors accelerated the lapsing of restrictions on all outstanding RSAs. This acceleration removed the potential payments which would have been payable had a change-of-control occurred. Before the acceleration date, upon a change-of-control of the Company, all restricted stock awards (the "RSAs") held by the named executives (if still employed by the Company at such time) would have automatically vested, and the accumulated but unpaid dividends associated with these RSAs would have become immediately payable. Accordingly, at December 31, 2012, there are no potential payments to the named executives upon termination of employment or change-of-control.

Based solely on a review of filings made under Section 16(a) of the Securities Exchange Act of 1934, we believe that our directors and executive officers and our shareholders who own 10% or more of our Class A Stock or Class B Stock have complied with the requirements of Section 16(a) of the Securities Exchange Act of 1934 to report ownership, and transactions which change ownership, on time for 2012.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

GGCP, through GGCP Holdings, LLC, owns a majority of our Class B Stock, representing approximately 94% of the combined voting power and approximately 74% of the outstanding shares of our common stock at December 31, 2012. Mr. Gabelli serves as the Chief Executive Officer, a director and is the controlling shareholder of GGCP. Various family members of Mr. Gabelli are shareholders of GGCP including Ms. Wilson.

For 2012, the Company incurred variable costs of \$464,515 for actual usage (but not the fixed costs) relating to our use of aircraft in which GGCP owns the fractional interests.

We lease an approximately 60,000 square foot building located at 401 Theodore Fremd Avenue, Rye, New York as our headquarters (the “Building”) from M⁴E, LLC, (“M⁴E”), an entity that is owned by family members of Mr. Gabelli, including Ms. Wilson. Under the lease for the Building, which expires on December 31, 2023, we are responsible for all operating expenses, costs of electricity and other utilities and taxes. For the period January 1, 2012 through December 31, 2012 the rent was \$1,137,450, or \$18.96 per square foot. As a member of M⁴E, Ms. Wilson is entitled to receive her pro-rata share of payments received by M⁴E under the lease.

We sublease approximately 3,300 square feet in the Building to LICT, a company for which Mr. Gabelli serves as Chairman and CEO and is deemed to be the controlling shareholder. LICT pays rent to us at the rate of \$28 per square foot plus \$3 per square foot for electricity, subject to adjustment for increases in taxes and other operating expenses. The total amount paid to us in 2012 for rent and other expenses under this lease was \$114,716. Concurrent with the extension of the lease on the Building, the Company and LICT agreed to extend the term of the sublease until December 5, 2023 on the same terms and conditions. We also sublease approximately 1,600 square feet in the Building to Teton. Teton pays rent to us at the rate of \$37.75 per square foot plus \$3 per square foot for electricity, subject to adjustment for increases in taxes and other operating expenses. The total amounts paid in 2012 to us for rent and other expenses under this lease were \$67,361.

In 2009, GAMCO entered into a sublease of a portion of its office space in Reno, Nevada to CIBL, Inc. (“CIBL”). Mr. Gabelli is a director of CIBL and is deemed to be the controlling shareholder of CIBL through his role as general partner of MJG IV, the largest shareholder of CIBL. Under the terms of the Reno sublease, the Company granted CIBL the right to use such part of GAMCO’s Reno office as the Company and CIBL shall from time to time agree. The sublease granted CIBL the right to use space in the Reno office until July 31, 2009 with an automatic renewal for one additional calendar year which extended the sublease until July 31, 2010. Since August 1, 2010, the space has been subleased on a month-to-month basis. For 2012, the rent for the Reno sublease was \$6,000.

In addition to the sublease of space in the Building, we entered into a number of agreements in connection with the Company’s distribution of the shares of Class A and B Common Stock in Teton. These agreements are as follows: a Separation and Distribution Agreement, a Transitional Administrative and Management Services Agreement (“Administrative Agreement”) and Service Mark and Name License Agreement (the “License Agreement”). Pursuant to the Administrative Agreement, we provide certain services to Teton including senior executive functions, strategic planning and general corporate management services; mutual fund administration services; treasury services, including insurance and risk management services and administration of benefits; operational and general administrative assistance including office space, office equipment, administrative personnel, payroll, and procurement services as needed; accounting and related financial services; legal, regulatory and compliance advice, including the retention of a Chief Financial Officer and a Chief Compliance Officer; and human resources functions, including sourcing of permanent and temporary employees as needed, recordkeeping, performance reviews and terminations. Effective January 1, 2011, the Administrative Agreement was amended to be based on a tiered formula as opposed to a fixed rate. Under the amended agreement, the Company is compensated by Teton 20 basis points annually on the first \$370 million of average assets under management (“AUM”) in the Teton funds, 12 basis points annually on the next \$630 million of average AUM in the Teton funds, and 10 basis points annually of average AUM in the Teton funds in excess of \$1 billion. The License Agreement provides Teton and the funds that it manages the use of certain names and service marks. Pursuant to the Administrative Agreement and the License Agreement, the Company was compensated in 2012 by Teton in the amount of \$15,000 per month, or \$180,000 for the full year, plus an average of 15.7 basis points of the average AUM in the Teton funds (pursuant to the tiered formula) for providing mutual fund administration services to these funds, or \$1,289,190 for 2012. We sublease space in the Building to Teton as discussed above. G.distributors, LLC (“G.distributors”), an affiliated broker-dealer of the Company, served as distributor to the six mutual funds that are managed by Teton during 2012. In 2012, the funds managed by Teton paid G.distributors \$2,791,759 in distribution fees, of which \$2,365,921 was reallocated to other broker dealers by G.distributors. In 2012, Mr. Gabelli earned \$747,987 in portfolio manager compensation for acting as co-manager of the GAMCO Westwood Mighty Mites Fund, a Teton micro-cap fund, and such amount is included in his compensation earned for 2012 shown earlier in the Summary Compensation Table for 2012 as indicated in footnote (c) to that table.

Mr. Gabelli and Gabelli Securities, Inc. (“Gabelli Securities”), a majority-owned subsidiary of the Company, serve as co-general partners of Gabelli Associates Fund, LP (“GAF”). Mr. Gabelli receives portfolio manager and relationship manager compensation through an incentive allocation directly from GAF. In 2012, Mr. Gabelli earned \$419,077 in incentive fees from GAF, of which he allocated \$128,171 to other professional staff, and his net compensation of \$290,906 is included in his compensation shown earlier in the Summary Compensation Table for 2012.

Gabelli Securities International Limited (“GSIL”) was formed in 1994 to provide management and investment advisory services to certain offshore funds and accounts. A family member of our Chairman owns 55% of GSIL, and Gabelli Securities owns the remaining 45%. In 1994, Gabelli International Gold Fund Limited (“GIGFL”), an offshore investment company investing primarily in securities of issuers with gold-related activities, was formed, and GSIL entered into an agreement to provide management services to

GIGFL. Gabelli Securities in turn entered into an agreement with GSIL to provide investment advisory services to GIGFL in return for receiving all investment management fees paid by GIGFL. Pursuant to such agreement, Gabelli Securities received investment management fees of \$23,192 and no incentive fees for 2012.

In April 1999, Gabelli Global Partners, Ltd., an offshore investment fund, was incorporated. GSIL and Gemini Capital Management, LLC (“GCM”), an entity owned by a family member of our Chairman, were engaged by the fund as co-investment advisors as of July 1, 1999. The fund paid all of the management fees for 2012, in the amount of \$80,761, to GSIL. There were no incentive fees earned or paid to GSIL or GCM during 2012.

In March 2002, Gabelli Global Partners, L.P. changed its name to Gemini Global Partners, L.P. The fund paid Gabelli Securities \$153,096 of management fees in 2012, which, in turn, paid GCM half of this amount or \$76,548. There were no incentive fees earned or paid in 2012.

GAMCO Asset Management Inc. (“GAMCO Asset Management”), a wholly owned subsidiary of the Company, has entered into an agreement to provide advisory and administrative services to MJG Associates, Inc. (“MJG Associates”), which has been wholly owned by our Chairman since 1990, with respect to the private investment funds that it manages. Pursuant to this agreement, MJG Associates paid GAMCO Asset Management \$10,000 (excluding reimbursement of expenses) for 2012. Mr. John Gabelli, the brother of our Chairman, is the sole shareholder of an entity that is the general partner of two investment partnerships - Manhattan Partners I, L.P. (“Manhattan I”) and Manhattan Partners II, L.P. (“Manhattan II”). Manhattan I and Manhattan II paid GAMCO Asset Management investment advisory fees in the amount of \$21,660 for 2012. In turn, GAMCO Asset Management paid John Gabelli \$8,663, a fee consistent with the payouts of all investment relationship staff of GAMCO Asset Management, for serving as the relationship manager for both Manhattan I and Manhattan II for 2012. In addition, an entity that Mr. John Gabelli’s wife is the sole shareholder of is the co-general partner of S.W.A.N. Partners, LP (“S.W.A.N.”), which is a separately managed account of GAMCO Asset Management. In turn, GAMCO Asset Management paid John Gabelli \$3,560, a fee consistent with the payouts of all investment relationship staff of GAMCO Asset Management, for serving as relationship manager for S.W.A.N. for 2012.

GGCP and MJG Associates reimburse us for these expenses. The amount reimbursable from GGCP and MJG Associates to us for such expenses for 2012 was approximately \$187,562 and \$328,575, respectively. EXHIBIT A

GUIDELINES FOR DIRECTOR INDEPENDENCE

For a director to be deemed “independent,” the Board shall affirmatively determine that the director has no material relationship with GAMCO Investors, Inc. (together with its consolidated subsidiaries, “GAMCO”) or its affiliates or any member of the senior management of GAMCO or his or her affiliates. This determination shall be disclosed in the proxy statement for each annual meeting of GAMCO’s shareholders. In making this determination, the Board shall apply the following standards:

- A director who is an employee, or whose immediate family member is an executive officer, of GAMCO will not be deemed independent until three years after the end of such employment relationship. Employment as an interim Chairman or Chief Executive Officer will not disqualify a director from being considered independent following that employment.
- A director who received, or whose immediate family member received in any twelve month period over the last three years more than \$120,000 in direct compensation from GAMCO will not be deemed independent. In calculating such compensation, the following will be excluded:
 - director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
 - compensation received by a director for former service as an interim Chairman or Chief Executive Officer;
 - compensation received by an immediate family member for service as a non-executive officer employee of GAMCO; and
 - dividend or interest income and bona fide and documented reimbursed business expenses.
- A director will not be considered independent if:
 - the director is a current partner or employee of a firm that is GAMCO’s internal or external auditor;
 - the director has an immediate family member who is a current partner of GAMCO’s internal or external auditor;
 - the director has an immediate family member who is a current employee of GAMCO’s internal or external auditor and personally works on GAMCO’s audit; or
 - the director or an immediate family member was within in the last three years a partner or employee of GAMCO’s internal or external auditor and personally worked on GAMCO’s audit within that time.
- A director who is, or whose immediate family member is, employed as an executive officer of another company where any of GAMCO’s current executive officers serve on that company’s compensation committee will not be deemed independent until three years after the end of such service or the employment relationship.
- A director who is, a general partner or employee, or whose immediate family member is an executive officer or general partner, of an entity that makes payments to, or receives payments from, GAMCO for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other entity’s consolidated gross revenues, will not be deemed independent.
- Further to the provision above that applies to goods and services generally, a director who is, or whose immediate family member is, an executive officer, general partner or significant equity holder (i.e., in excess of 10%) of an entity that is a paid provider of professional services to GAMCO, any of its affiliates,

any executive officer or any affiliate of an executive officer, if the payments for such services exceed \$120,000 (but do not exceed the greater of \$1 million or 2% of such other entity's consolidated gross revenues) within the preceding twelve-month period may not be deemed independent.

- A director who is, or whose immediate family member is, affiliated with or employed by a tax-exempt entity that receives significant contributions (i.e., more than 2% of the annual contributions received by the entity or more than \$1 million in a single fiscal year, whichever amount is greater) from GAMCO, any of its affiliates, any executive officer or any affiliate of an executive officer within the preceding twelve-month period may not be deemed independent, unless the contribution was approved by the Board and disclosed in GAMCO's proxy statement.

For purposes of these Guidelines, the terms:

- "affiliate" means any consolidated subsidiary of GAMCO and any other company or entity that controls, is controlled by or is under common control with GAMCO, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity; and
- "immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than domestic employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

The Board shall undertake an annual review of the independence of all non-employee directors. In advance of the meeting at which this review occurs, each non-employee director shall be asked to provide the Board with full information regarding the director's business and other relationships with GAMCO and its affiliates and with senior management and their affiliates to enable the Board to evaluate the director's independence.

Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as "independent." This obligation includes all business relationships between, on the one hand, directors or members of their immediate family, and, on the other hand, GAMCO and its affiliates or members of senior management and their affiliates, whether or not such business relationships are subject to the approval requirement set forth in the following provision.
