The source of the distribution is net investment income, capital gains, and a return of capital. Based on current earnings on a book basis, approximately \$0.003 per share is from net investment income, \$0.002 per share is from net realized capital gains, and \$0.065 per share is a return of capital.

The final determination of the proportion of capital gains, ordinary income, and non-taxable return of capital, if any, distributed in 2013 will be made after year end. All taxable shareholders will receive written notification regarding the components and tax treatment for all 2013 distributions in early 2014 via Form 1099-DIV.

The Gabelli Utilities Fund is managed by Gabelli Funds, LLC and distributed by G.distributors, LLC, subsidiaries of GAMCO Investors, Inc. (NYSE: GBL).

Investors should carefully consider the investment objectives, risks, charges and expenses of the Fund before investing. The prospectus, which contains more complete information about this and other matters, should be read carefully before investing.
