**GABELLI CONVERTIBLE AND INCOME SECURITIES FUND
DECLARES \$0.375 QUARTERLY DIVIDEND FOR ITS
6.00% SERIES B CUMULATIVE PREFERRED STOCK**

Rye, NY -- The Board of Directors of The Gabelli Convertible and Income Securities Fund Inc. (NYSE:GCV) (the "Fund") declared a \$0.375 per share cash distribution payable on December 26, 2013 to Series B preferred shareholders of record on December 18, 2013.

The Series B Preferred Shares, which trade on the New York Stock Exchange under the symbol "GCV Pr B", are rated "A1" by Moody's Investors Service and have an annual dividend rate of \$1.50 per share. The Series B Preferred Shares were issued on March 18, 2003 at \$25.00 per share and pay distributions quarterly. After five years of call protection, the Series B Preferred Shares became callable at any time at the liquidation value of \$25.00 per share plus accrued dividends.

All or part of the distribution may be treated as long-term capital gain or qualified dividend income (or a combination of both) for individuals, each subject to the maximum federal income tax rate, which is currently 20% in taxable accounts for individuals. In addition, for taxable years beginning on or after January 1, 2013, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare tax on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Long-term capital gains, qualified dividend income, and ordinary income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund as of November 15, 2013, each of the distributions paid to preferred shareholders in 2013 would include approximately 64% from net investment income and 36% from net capital gains on a book basis. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website (www.gabelli.com). The final determination of the sources of all distributions in 2013 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2013 distributions in early 2014 via Form 1099-DIV.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. More information regarding this and other information about the Fund is available by calling 800-GABELLI (800-422-3554) or visiting www.gabelli.com.
