**GAMCO GLOBAL GOLD, NATURAL RESOURCES & INCOME TRUST BY GABELLI
DECLARES INITIAL DIVIDEND FOR ITS
5.00% SERIES B CUMULATIVE PREFERRED SHARES**

Rye, NY -- The Board of Trustees of the GAMCO Global Gold, Natural Resources & Income Trust by GABELLI (NYSE MKT:GGN) (the "Fund") declared a \$0.17014 per share initial cash distribution payable on June 26, 2013 to Series B preferred shareholders of record on June 19, 2013.

The Series B Preferred Shares, which trade on the NYSE MKT under the symbol "GGN Pr B", are rated "A1" by Moody's Investors Service and have an annual dividend rate of \$1.25 per share. The 4,000,000 Series B Preferred Shares were issued on May 7, 2013 at \$25.00 per share and will pay distributions quarterly. This initial distribution represents the accrual period from May 7, 2013 to June 26, 2013.

Part of the distribution may be treated as qualified dividend income for individuals, subject to the maximum federal income tax rate, which is currently 20% in taxable accounts for individuals. In addition, for taxable years beginning on or after January 1, 2013, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare tax on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Short-term capital gains, qualified dividend income, and ordinary income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund as of May 15, 2013, the current distribution to preferred shareholders would include 7% from net investment income and 93% from net capital gains on a book basis. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website (www.gabelli.com). The final determination of the sources of all distributions in 2013 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2013 distributions in early 2014 via Form 1099-DIV.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. More information regarding this and other information about the Fund is available by calling 800-GABELLI (800-422-3554) or visiting www.gabelli.com.

The GAMCO Global Gold, Natural Resources & Income Trust by GABELLI is a non-diversified, closed-end management investment company with \$1.3 billion in total net assets whose primary investment objective is to provide a high level of current income. The Fund invests primarily in equity securities of gold and natural resources companies and intends to earn income primarily through a strategy of writing (selling) primarily covered call options on equity securities in its portfolio. The Fund is managed by Gabelli Funds, LLC, a subsidiary of GAMCO Investors, Inc. (NYSE:GBL), which is a publicly traded NYSE listed company.
